

CROSSOVER Frequently Asked Questions (FAQs) and Answers

1) What is CROSSOVER?

Ans: CROSSOVER is a basketball ministry jointly lead by Castro Valley First Baptist Church and First Presbyterian Church of Hayward that exists to create healthy competition while building biblical character into our players. Weekly prayer and devotions are a significant component of our basketball ministry.

2) Why is the cost so low?

Ans: Our registration cost is low due to the generous donations from our partnering churches and local community.

3) How is CROSSOVER connected to the Golden State Warriors?

Ans: We are one of the largest affiliates of the Junior Warriors Basketball Program. Our uniforms come directly from the Jr Warriors.

4) How do I register?

Ans: Our online registration opens on August 1 via a link found on our website (www.cvfirst.org/basketball). We recommend registering earlier than later as the younger divisions fill up quickly and there is normally a wait list for all divisions each season. A short evaluation session (not a try-out) is required to complete the registration process which assists us in team formation.

5) When and Where are the practices and games played?

Ans: Our one-hour practices are held once a week, Monday through Friday, between 4 to 8 pm usually beginning the first week of November. The day and time of these practices are determined by the volunteer coach assigned to your player. Games are added on the first Saturday of December. All practices and games are held at local Castro Valley church or school facilities.

6) Who are the coaches and other volunteers that serve in CROSSOVER?

Ans: All CROSSOVER volunteers are from local churches who are required to submit an application and background check. All coaches are required to wear an identification lanyard during practices and games. Interested volunteers can find the application on our website (www.cvfirst.org/basketball).

7) Are there any restrictions from playing in CROSSOVER?

Ans: Coed Players must be in grades 2 to 12. There are no geographic restrictions nor any requirement to attend a local church to participate in CROSSOVER. Players with special needs will be addressed on a case by case basis.
