

CASTRO VALLEY FIRST

BAPTIST CHURCH

Dear CV First Family,

Daniel Ennis, our Family Pastor, has chosen to step down from his current full-time role at CV First effective October 23rd, 2017. While Daniel has only served in this capacity for a short time, he has proven to be a valuable member of the staff, demonstrating Godly character through his love for the families here at CV First.

Please find enclosed a letter from Daniel explaining his difficult decision to step down. The Board and Staff fully support this move and look forward to serving with Daniel in his modified role as part-time over youth ministries. The church staff and leadership places a high priority on Family Ministries, therefore they will work alongside the existing children's ministry leaders to assist in determining how best to continue our ministry to children and families.

Please join us in the upcoming prayer and fast beginning this Saturday, October 14th at 5:00pm, concluding with a break-fast potluck at 5:00pm on Sunday October 15th at the church. Then at 6:00pm we will have our All Church Town Hall Meeting with the Goehner Group, who will be sharing their thoughts and insights, followed by an update to the congregation.

In His service,

CV First Board
